ORDERING INFORMATION:

- ☐ Most of our birds are hatched weekly and may be available as such; however, large orders and most of our special breeds need to be ordered well in advance of your desired pickup date.
- ☐ Due to circumstances beyond our control, such as availability of eggs and hatching results, we cannot guarantee all orders to be filled on their expected dates; however, we will do our best to ensure that they will be. It is possible that some breeds may not be available on your pick up dates – this does not warrant cancellation of your order.
- ☐ Some of our breeds do very well at poultry shows, however, we do not guarantee show quality birds; we do guarantee purebred birds.
- ☐ Bantams, certain rare breeds, turkeys and guinea fowl are sold as straight run only.
- ☐ Poultry order minimums per breed or variety: 5 chicks, 3 ducklings, 2 goslings, 3 turkey poults, or 5 guinea keets.
- ☐ After placing your order, full payment is due which can be made by Interac e-transfer, cheque or money order. Please advise method of payment by email.
- ☐ A \$6.00 small order charge applies for orders of 10 or less chicks or 6 or less ducklings.
- ☐ Pricing in this price list is for day-old poultry.
- ☐ Further information regarding ordering poultry is available from the website.
- ☐ Hatch dates are available on the “check out page” of online ordering.

After placing your order – Please note the following:

- Payment Policy - For orders less than \$500.00 full payment is due upon receipt of your order confirmation and invoice which will be sent to you by e-mail. Payment must be received within one week of receiving your order confirmation and invoice via e-mail. For orders greater than \$500.00, a 50% deposit is due upon receipt of your order confirmation and invoice which will be sent to you by e-mail. Balance of orders over \$500.00 must be paid no later than two weeks before pick up of your order. Orders will not be processed until payment is received. Delay of payment can change bird availability. After two weeks, unpaid orders will be removed from the system. Please advise method of payment via email - we accept e-transfer, cheque or money order for payment. Please note: Once your order is within eight weeks of hatch date, 20% of your payment will be non-refundable if you decide to cancel your order. Additional terms and conditions may also apply due to cancellation of your order.
- We will email you within a week of your hatch date to arrange your pick-up appointment.
- Customers are responsible to pick up their orders on their designated pick up dates. Failure to pick up your order or failure to respond to our appointment request can result in your order being unavailable. Under either of these circumstances, your order will be non-refundable.
- Please note that we are very busy on pick up days and it is possible for things to back up which can result in waiting for your order beyond your set time for pick-up, however, we do our best to have your order ready in a timely manner. Your patience is appreciated.
- We will provide boxes for your poultry order.
- Bags of chick starter and poultry supplies are available for purchase when you pick up your poultry order.
