Membership Application

The Huronia Fur and Feather Breeders Association is a group of people sharing an interest in breeding and raising a variety of feathered and furry friends. The club was formed in 1994 and we now have approximately 75 family memberships.

Our common goal really defines our purpose:

“To exchange information and knowledge and the stabilizing of all standard and exotic breeds and enjoy the fellowship of people with similar interests.”

- Our club brings together breeders of fowl, game birds, pigeons, rabbits, cavies etc.
- Our club organizes and hosts two Buy/Sell/Trade Days annually, one in the spring and one in the fall. Our previous B/S/T day had approximately 70 vendors.
- Our club sponsors trophies and is active in many of the local Fall Fairs, including Oro Worlds Fair, Orillia Fall Fair, Coldwater Fall Fair, Beeton Fall Fair, Barrie Fall Fair and the Elmvale Fall Fair.
- Our club has a monthly newsletter.
- Our club encourages youth to become involved.
- Our club provides a forum through which all members may express their views.
- Our club supports the functions of other Fur and Feather Clubs.

We are proud of our Club and invite you to attend our regular meeting, the 4th Tuesday of each month at the Edgar Community Hall (just east of the main intersection in the village of Edgar. Edgar is situated on the Old Barrie Road on the 4th Concession of Oro Medonte).

The evening begins with a pot luck supper at 7 p.m. and our meeting starts at 8 p.m. When possible, we try to have a guest speaker. We do not meet in the months of Dec. and Jan. because of the weather.

If you are a critter lover or a potential one, we are sure you will enjoy the exchange of ideas that will help make your hobby more interesting. For information, call John Hawkins (705) 487-2958 or Linda Groves (705) 835-3508
